

Dalgety Bay Junior Squash Section

December 2016 Tournament Report

On Wednesday 28th December 2016 Dalgety Bay Squash Club ran a Juniors and Parents Squash bash. Five juniors were joined by two parents, two coaches (one a parent) and two students (one a coach).

The warm up was a friendly game of volley squash. The players divided into 3 teams and then played a 50 up competition collecting points as individuals and for their respective teams. This format is full on with little time for recovery, it also levels the playing field providing its own level of handicap.

There were some good rallies and some surprises, you need to keep focused or you find yourself very quickly off court.

Everyone enjoyed the format and Ruairidh Dumper was the junior winner, Scott Hunter finished top of the adults. The three team scores were close with 'The Ts' coming out on top.

In the afternoon 5 Juniors and one parent took part in a round robin tournament, with each match being one game to 11. Continuing the theme from the morning, this format providing short sharp changes of players. Claire Japp finishing at the top of the round robin event with Lewis Thomson coming a close second. All the players rising to the challenge and some more good squash. A chance for the coaches to see all the good work of the previous coaching sessions put into practice.

Tin Tankers **Points**

Lewis Thomson 6
Ruairirdh Dumper 7
Romi Japp 5

Team Total:	18
--------------------	-----------

Super Powerserves

Claire Japp 11
